

Duel Duo Test Plan

Overview:

Test the functionality of the game

Test Criteria:

- Test that "See All Bots" button displays all robots from database
- Test that "Draw" button displays a random selection of 5 robots
- Test that "Add to Duo" button will select the robot as part of the player's Duo
- Test that only two robots can be added at a time and that feedback is given to the player when trying to select more than two robots
- Test that "Duel" button functions properly
- Test that each game is correctly calculated
- Test that the result of each game is correctly allocated in the Win or Loss Scoreboard

Entry Criteria:

- On the Duel Duo page

Exit Criteria:

- All tests have passed or bug reports are written for failing tests

Other details:

- Should run on any modern browser, and be fully functional
- Chrome is the recommended browser
